

1. September 24, 2024 YMS Release Notes

1.1. Feature Updates

1.1.1. View recommended parking spot locations for pending arrivals

Users Impacted: All users with Yard Visibility, Yard Management, and Yard Automation

Update Summary: Create a parking spot rule to view recommended parking spot locations for pending arrivals.

Supporting Documentation:

- [Configure Parking Spot Rules for Arriving Shipments](#)

1.1.2. Check in delivery shipments with the Gate Kiosk

Users Impacted: Drivers

Update Summary: Drivers can check in delivery shipments through the Gate Kiosk.

Supporting Documentation:

- [Configure Kiosk Settings](#)

1.1.3. Experience improved performance and latency of Gate Pass maps

Users Impacted: Drivers

Update Summary: Drivers can now print Gate Passes that include a full map of the site (including buildings, parking spots, and dock doors).

Supporting Documentation:

- [Print a Gate Pass](#)
